To,

The General Secretary
to the Government of Mysore

Sir,

I have the honor to submit herewith Copy of Mulbagul Taluq Amildar's English report No 182 dated 16/17th September 1895 bringing to notice the inconvenience and hardship the inhabitants of the place are subjected to for want of water for drinking and other purposes, and requesting that early steps may be adopted to relieve the inhabitants of their long felt want by improving the feeder to the Kosakere Tank situated to the north of the Village on higher level so as to command the whole town

2 I request you will be good enough to depute the Sanitary Engineer to investigate the project as Mulbagul is one of the several towns in the District which invariably suffers every hot weather from water scarcity.

I have the honor to be,
Sir,

The Govt. agree to the Ch. Engr's

the question of water Supply to the Imlbagal town may lie over for the present.

The Chief Engineer will however be requested to Cause the water supply scheme of the town of Imlbagal to be investigated at some future date, so as to give a rough idea of the probable cost of the work.

This portion is inserted by the office subject to approval as the Dewan alludes to his order on the Chickballapur water supply scheme & but does not say that the scheme should be investigated
